## ADDITIONAL NOTES

The above space is valued at **\$308,570.00** and has been discounted to **\$38,500.00** exclusively for **2026 EANGUS National Conference**, based on projected city and Baird Center performance. VISIT Milwaukee, the hotels, and the Wisconsin Center District (operators of the Baird Center) have agreed to offset your convention center costs as follows:

- The license fee has been discounted based on the economic impact **2026 EANGUS National Conference** has committed to the city of Milwaukee. The value of the discount, as seen on Page 1, is reflective of details and commitments **2026 EANGUS National Conference** has stated.
- The Wisconsin Center District strives on being cost transparent. The projected cost estimate that has been developed is based on historic scheduled events of **2026 EANGUS National Conference**. Actual cost would be invoiced on the post event invoice.
- **\$0.00** in hotel room rebates - **\$TBD** per actualized room nights in your contracted hotel block.
  - This calculation is based on a pick-up of 2,857 room nights x **\$TBD** rebate = **\$TBD**
  - If less than 2,857 room nights are picked up (generated), **2026 EANGUS National Conference** will be billed for the difference.
- This proposal **does not** include labor or equipment rental charges.

- Initial meeting room set up is included in ballroom and meeting room spaces (excludes exhibits and exhibit halls).
  - Rental fees include *initial* setup of tables and chairs, and daily cleaning of the meeting rooms. Rental also covers hourly rotational cleaning of high-traffic touchpoints.
  - **2026 EANGUS National Conference** accepts responsibility for all other expenses, such as food and beverage, audio-visual, and labor fees.
  - If needed, the Wisconsin Center District is more than happy to put together a preliminary cost estimate for **2026 EANGUS National Conference** to review.
- Levy Restaurants is the exclusive Food & Beverage provider for Wisconsin Center District.
  - A negotiated Food & Beverage minimum of **\$75,000.00** is required at the Baird Center.
  - Menu selection, confirmation of guest counts and sign-off on event orders are due 30 days prior to event.
  - Payment in full of your estimated food and beverage total is due seven business days prior to the start of your event.
  - Menu pricing will be confirmed with your final event orders, 30 days prior to your arrival.
