Our Anthem

We are not just a venue.
We are host to the imaginations that
can transform the world. We are not the answer.

WE'RE A CATALYST.

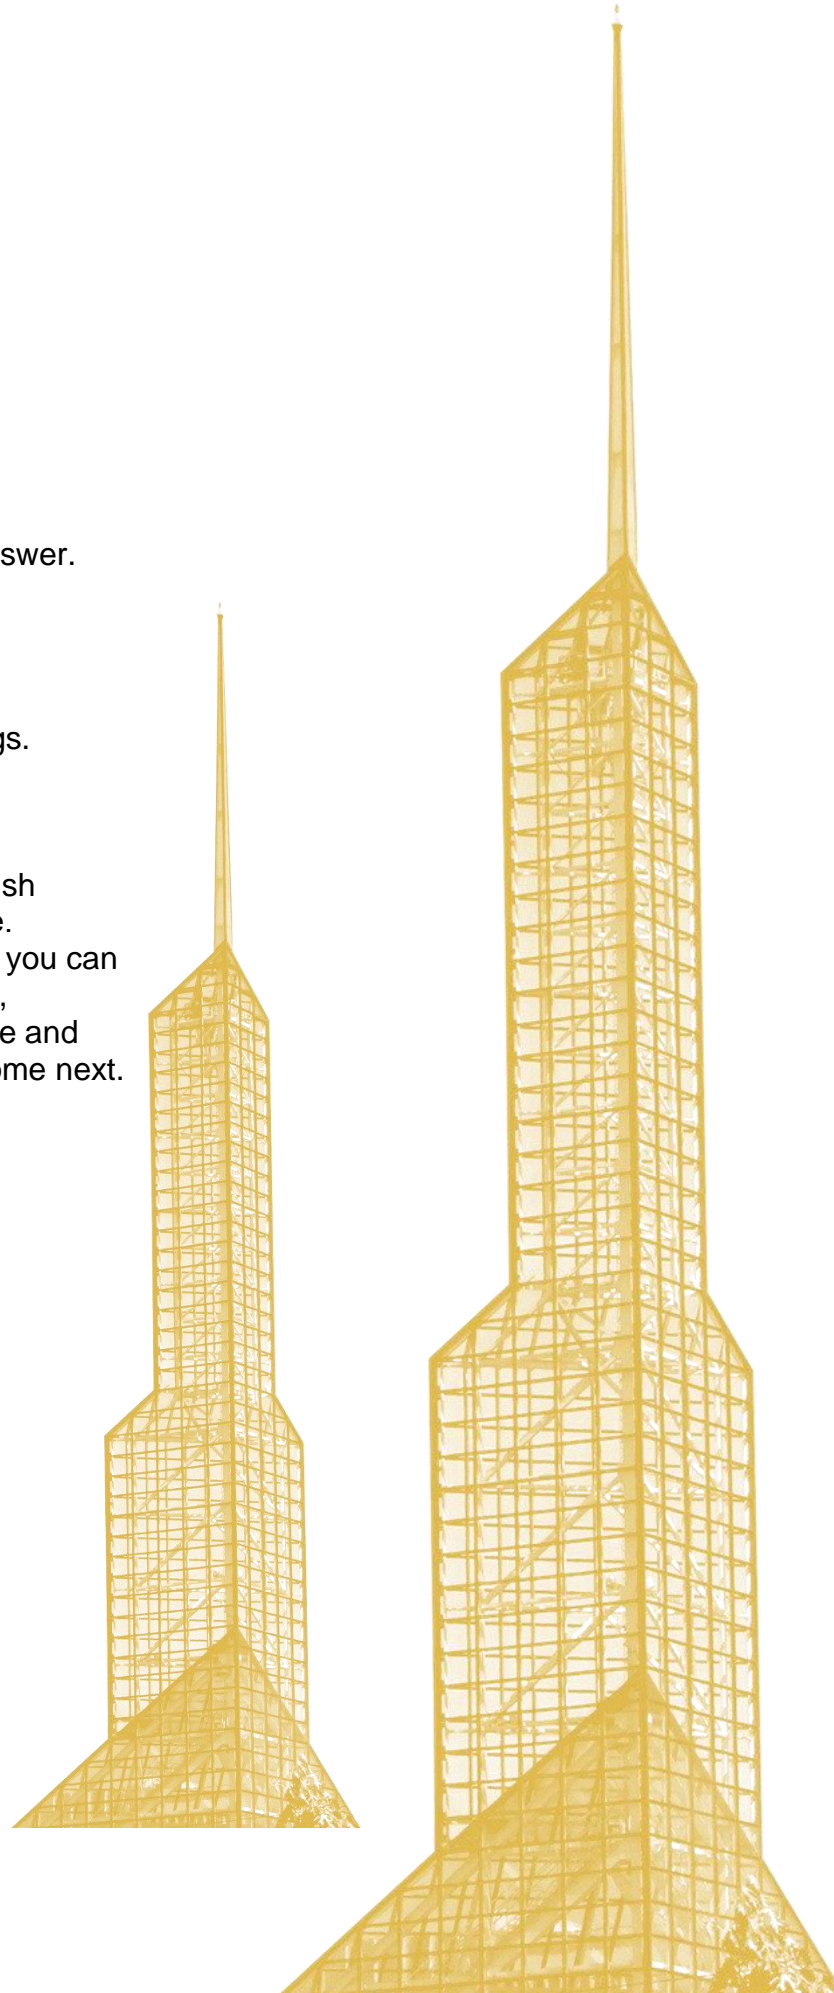

We Inspire. Defend. Welcome. Arouse.
Awaken. Propose. Provoke.
We are made up of your doings and feelings.
Your actions and reactions.

WE ARE A CENTER IN MOTION.

Defined by you and what you can accomplish
inside our walls. We don't decide the future.
We provide a place where you can. Where you can
Join. Change. Dismantle. Engage. Cherish,
Love, Uphold, Refute, Challenge, Galvanize and
Improvise – until you figure out what will come next.

THIS IS A PLACE OF ACTION.

There are no no's, no if onlys, no maybes.
There is only right now.
Ready? Go.

Enlisted Association of the National Guard (EANGUS) 2026, 2027 and 2028 Annual Conference.

Our Values

As hosts to the world, we deeply respect our guests and our community.

We're here to make sure everyone feels safe bringing their ideas, their passions and their hearts to the table.

Because positive change can begin anytime, anyplace, with anyone.

Like you. Right here. Right now.

We live for the lights, the music, the food, the learning, the inspiration, and the togetherness.

We live for positive change and transformative experiences that blaze a path toward endless possibilities.

The awesome potential of every event keeps us on our toes and, sometimes, knee-deep in caffeine.

But the magic of pulling it all off? Totally worth it.

Sustainability is in our DNA. It's who we are and why we do what we do.

We prove that commitment by having one of the largest solar panel arrays on a U.S. convention center and serving as one of two LEED platinum convention centers in the nation.

We're passionate about cultivating diversity, advancing equity, and practicing inclusion in all of the work we do.

People. Planet. Progress. It's how we work toward a better tomorrow.

Last minute request? Done.

Idea about how to do something better? Done.

Guest who wants something we've never heard of—now, if possible? Done. And done.

YES is the answer. Determination, creativity, and teamwork are how we deliver on it.
